## Directions to the apartment at Pueblo Mascarat

When you arrive at Alicante airport call Royal Parking on:

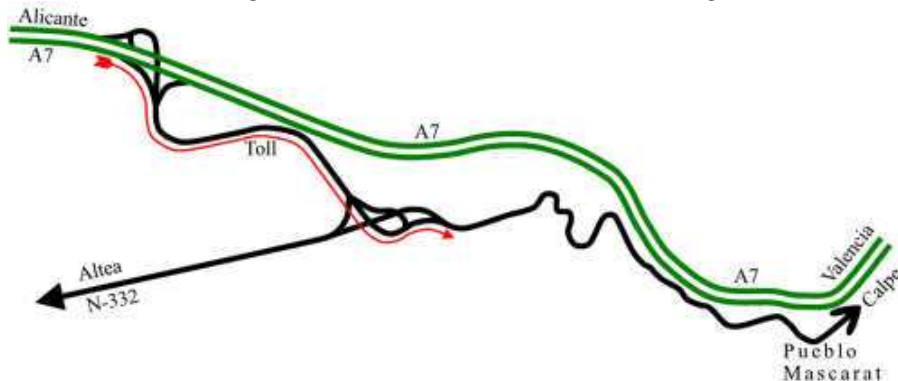

- 965 116 231 (day)
- 609 614 297 (night)

You will be collected from the airport and taken to Royal Parkings Short and Long Term Parking.

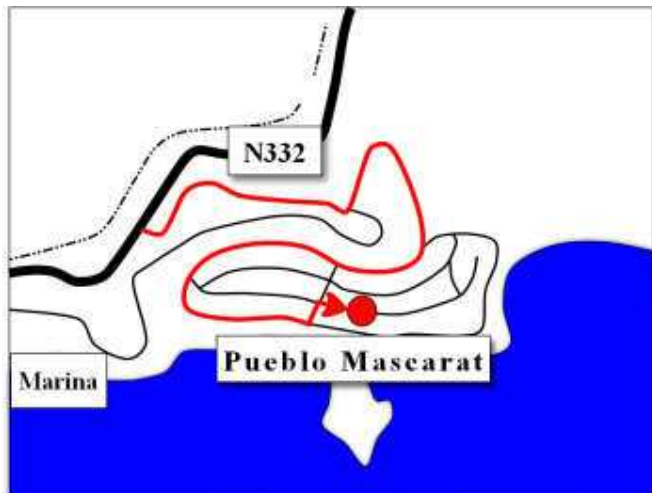

Leave the car park and, turning left, head for the Motorway AP-7 and follow signs for Valencia. The Motorway is a toll road so take some change. You'll pass through a tollbooth to collect a ticket. After approximately 35-40 minutes leave then AP-7 at Exit 64 signposted Altea/Calpe.

This leads to the N-332 coast road. You'll need to pass through the tollbooth to pay the toll (approx €3-4 at the time of writing) then continue on the N-332, filtering back onto the coast road (see below).

Travel past the MASYMAS supermarket and dental clinic. After approximately ¼ mile there is a turnoff the right signposted Pueblo Mascarat.

Follow road down and pick up the signs for Villa Roca restaurant. After about ½ mile the road dips down to form a dual carriageway. Follow this round to a roundabout – go straight over and follow round the end of the apartments. Take the next left between apartments and climb the hill for approx 20 yards. On your right will be a security barrier. Use the remote control key fob to open the barrier and drive up the avenue. Find a park near the archway.

The apartment is labelled Blanden – 4B and is on the second floor if you use the lift (or 4 if you use the stairs !)

Enjoy!
